

North West Peri-Prosthetic Fracture Course at Wrightington

Wrightington Conference Centre

1st and 2nd March 2018

Overall Evaluation

Overall great course. Useful to have few paper references printed out (not entire paper) but reference papers worth reading. Excellent time keeping. Thank you.

Excellent course. Highly recommended.

Good ratio of faculty to learners. Enjoyable course.

Good mix of lectures and discussion sessions.

Excellent well prepared talks. X-ray discussion best part of course. Alternating talks and clinical discussions were well set out.

Case based discussions were very useful.

Thank you. Excellent efforts, excellent faculty.

Good discussions.

Excellent session, good set up. Case discussions were most useful.

A great day. Good explanation of principle. Would recommend to any registrar and above including consultant.

Excellent.

Excellent course. Group sessions were very useful.

Practical sessions, especially x-ray discussions, were excellent.

Good interactive faculty.

Great course. Good food.

The reason the organisation score is the heating, otherwise excellent.

Amazing food, best I have ever had on a course.

Excellent food, organisation, course.
